Call to Order
Jamie Lang called meeting to order @ 5:35.

Land Acknowledgement
Jamie Lang shared the Land Acknowledgement.

Person(s) to be Heard
None.

Approvals
Minutes of August 18, 2021 were approved (Lucy/Nancy); Agenda of 9/15/21 was approved.

Introduction of new Library Director appointee
Elizabeth Nicolai introduced Judy Eledge, who has recently been appointed by the Mayor but not yet confirmed by the Assembly, to be Library Director. Ms. Eledge visited the Mountain View branch library and discussed the success of the Book Giveaway project.
Mission Moment: Summer Discovery

Elizabeth Nicolai gave a presentation on the Summer Discovery program.

Policy Updates – (Lucy asked if these policies had been reviewed by the Muni Attorney. Elizabeth said that the changes were not substantive enough to warrant a legal review.)

- **Interlibrary Loan.** Discussion of policy changes will be tabled until we can view changes being proposed. *Action:* staff will provide markup copy to LAB at their October meeting.
- **Posting.** Discussion concerning this policy centered on the possibility of translating posted information for the benefit of our large immigrant population, and posting flyers describing services for homeless people. Ms. Eledge was concerned that these strategies would overwhelm an already busy staff. It was decided to table further discussion until procedures supporting the policy could be reviewed by LAB (Lucy/Barb). *Action:* staff will provide supporting procedures at the October meeting.
- **Group Tour.** *Action:* This policy was approved as amended (Lucy/Lo).
- **Material Donations.** *Action:* This policy was approved as amended (Nancy/Lucy).

Staff Updates

- Elizabeth Nicolai discussed the fact that the Library’s old minivan needs to be replaced (there is no heat when the defroster is on, for example), so a different department has paid for a replacement vehicle.
- Judy Eledge discussed potential cuts to many departments, including the Library, possibly resulting in a 5% cut and the elimination of Sunday hours. The discussion included the fact that highest patron occupancy occurs during Sundays hours. Ms. Eledge said that the situation would get worse, and that no department wants to lose funding. *Action:* Elizabeth will provide LAB with patron-use statistics.

Board Comments and Adjourn

Sarah promoted an upcoming presentation at Out North regarding intellectual freedom and banned books. The meeting was adjourned at 6:52 (Lucy/Cristy).

Next Meeting

October 20, 2021
Education & Skills for Life

Recent Accomplishments

- Muldoon Friday storytimes in the park, Tuesday/Thursday Game Days, as well as the Bus Parade at Loussac.
- Muldoon had two visits from Ann Barnett’s Begich MS Recreational Reading class. Students explored the collection and checked out books to read and enjoy.
- Wrapped up the PLA Inclusive Internship Program that included 30 community focused programs presented resulting in a lot of ideas and connections for future programs.
- Loussac Library story walk installed! Thanks to Parks and Rec – the permanent story walk was installed on the Loussac Library lawn. The first book featured is Alaskan authors Barbara Atwater and Ethan Atwater with their title *Chia and the Fox Man*. Books will be rotated out once a month.
- Storytimes returned for the fall session. 161 people attended 11 storytimes at Loussac.
- Homeschoolers joined staff at Lousasc and at Chugiak-Eagle River Library to learn Library basics such as catalog searches, take a tour, and learn about the Dewey Decimal system.
- Build It Afternoon engaged children’s creativity and engineering skills at Loussac. Staff: Kelsey Skrobis
- LENA classes began a new cohort of six families learning about early literacy and early talk skills. Staff: Samantha Blanquart
- CE hosted Countdown to Kindergarten and two homeschool events including a tour with Raven Homeschool. Sue also organized a Scout badge event for scout groups of all kinds.

- CRC Team: Provided in-depth assistance to 36 individuals, hosted an AHFC rental relief clinic and a Housing Lab that assisted 25 additional individuals for a total of 61 individuals served in September. 3 student interns are currently training and shadowing to provide additional assistance at no cost.

Next Steps/Coming Soon

- Muldoon’s first online session for LENA Start—program/device which helps parents improve their verbal communication with infants, helps infants develop strong language basics.
- In October, Loussac Youth Services will launch a new storytime concept called “Self-Guided Storytime Journeys”. There will be five stations aligned with the five early literacy practices (READ, SING, TALK, WRITE, PLAY). They will be offered every Saturday in October, allowing families a socially distanced and patron directed way to enjoy the library and learn about early literacy while building memories together. Gerrish will also host SGST. Staff: Elizabeth, Kelsey, Linda, Samantha and Jamie.
• Working with engineers from UAA to start a program series for teens on engineering and STEM. Planned for Spring 2022. Staff: Jon Ebron.

• Fundamentals of Early Literacy three-part video series on our YouTube page. This class is self-led. When parents or caregivers finish the class, they can complete a quiz to receive free books and/or early literacy toys from Anchorage Public Library. We plan to promote this to foster parents and we are working on having it certified for continuing education credit for caregivers. Staff: Samantha Blanquart

• Leap into Science: In partnership with the Alaska Afterschool Network, we are leading statewide trainings on this exciting new curriculum from the Franklin Institute. APL will be hosting these programs this winter. Staff: Elizabeth Nicolai

Over a two-week span in September, she attended several webinars on providing library services to veterans, creating veteran displays, using the VA work-study program, and supporting veterans with library resources and programs. The forum is offering microgrants, so she’s trying to think of a program or service that we would have the capacity to do that would be useful to Anchorage vets.
- Stacia McGourty (Adult Services) and Meneka Thiru (Adult Services) organized and hosted three conversations around intellectual freedom in different types of libraries in partnership with KONR 106.1 in honor of Banned Books week.

• Judy has scheduled a meeting with new Department of Health Director and CRC staff to discuss expanding the program in 2022.

**Internal Goals and Strategies**

**Recent Accomplishments**

• New outside signage has been installed at Chugiak-Eagle River so that our community can more easily locate the library and the outside book return. New collection signage also arrived and was immediately praised by one of our regular patrons. Thanks to Clare and Brendan for their help with this project!

• Adult Services has started offering study rooms on the Loussac second and third floor. Study rooms are available for 90 minutes, as staffing and previous room bookings allow.

• Kristie Nelsen (Adult Services) made changes to the Program Proposal form and added the first part online to be forwarded to LibAnswers as a ticket.

• MV completed weeding and shifting of our media collections. The collection is now easier for patrons to browse.

• Judy has visited all branches except Girdwood. The branches do an amazing job while engaging their communities.
• Judy and Jacob toured possible Downtown Library sites with Sami Graham, Mike Robbins, and Brice Wilbanks. Mayor Bronson has listed the Downtown Library as one of his top priorities. His office and the Library are working in conjunction with the Anchorage Library Foundation.
• Judy met with Sarah Preskitt, Alaska Librarian and Gideon Gerlt, Municipal Curator of Art concerning the completion of all cataloguing and appraisal of items in the archives and vault. Many of the valuables of this collection are still in the same state as when flood happened in 2018. Judy is working with Sarah on finding out about digitizing services available to the library at little or no cost to us. This is also one of Mayor Bronson’s top priorities. This collection is extremely valuable, and it has not been a focus for many years. It will be one of the top focuses now at the Library. Judy is working on a plan to be done in phases.

Next Steps/Coming Soon
• Judy is beginning the process of a new Strategic Plan. The current one goes through December 2021. This strategic plan is at the direction of the Mayor’s office.
• Judy is working to ensure a safe environment for employees and others to have honest discussions with differing views and opinions.

Limiting Factors/Concerns
• Continued staff shortages at Chugiak-Eagle River due to the hiring freeze have resulted in longer lines at service points and reduced ability to deal with technology failures (like our printer not behaving). Some tasks are being put off for longer than we’d like (checking in & shelving new periodicals, for instance).

Library Board Updates
Recent Accomplishments
• Friends of the Library has cancelled their fall book sales because of COVID concerns.

Approved by: Library Advisory Board, October 16, 2019
A RESOLUTION TO THE ANCHORAGE MUNICIPALITY ASSEMBLY OPPOSING MOVING THE ANCHORAGE PUBLIC LIBRARY UNDER THE PARKS DEPARTMENT

WHEREAS, Mayor Bronson’s proposed 2022 budget recommends that the Anchorage Public Library move under the Anchorage Parks & Recreation Department where a non-librarian will oversee the Anchorage Public Library;

WHEREAS the Parks Department already has a huge responsibility, which could be hindered by adding additional workload to the Parks Director;

WHEREAS moving Anchorage Public Library under the Parks Departments dilutes the essential role of the library of providing: education to the community; a variety of technology assistance both in and outside the library; economic development to small businesses;

WHEREAS the Mission of the Anchorage Public Library is connecting people to education, information, and community, which lacks any significant overlap with the Anchorage Parks & Recreation Department’s Mission that “… provides outdoor recreation opportunities and conserves and interprets natural, cultural, and historic resources for the use, enjoyment, and welfare of the people;”

WHEREAS the Anchorage Public Library’s Strategic Plan focuses on: Education & Skills for Life, Building Community, and a Bridge to Information & Resources. Conversely, the Anchorage Parks & Recreation Department’s annual strategic focuses on an “action plan for park improvements, community engagement and staff operations, resulting in more than $3–7 million in annual investment in parks, trails and community recreation programs;”

WHEREAS the Anchorage Public Library is made up of a shared staff and budget for all five branch locations and the new Dimond Transit Express Library. Conversely, the Anchorage Parks & Recreation Department has different geographical managers in Eagle River and Girdwood, and Board of Supervisors oversight, which would create disjointed control over buildings, collections, and staffs;

WHEREAS there is little budgetary savings to the city by moving the Anchorage Public Library to a division within the Parks Department;

WHEREAS the Anchorage Public Library already provides equitable access to computing equipment, robust resources, safe, simulating, clean and well-maintained buildings, works with community partners and library programming helping to increase the foundations of reading, social skills, and creative skills through early learning educational activities, and where APL provides civic engagement, cultural enrichment, and enhances the quality of life for all Anchorage residents through provisions of life-long educational services including library materials, online resources, and programs/events. Thus, moving the Anchorage Public Library to Parks & Recreation Department does not improve what the library is already doing;

WHEREAS, the Anchorage Public Library, and our community patrons, need to have a department run by librarians who have the appropriate qualifications, foundations skills and knowledge to provide an essential center for learning, where there is free and equal access to information and library spaces, and where literacy and life-long learning is promoted;
NOW, THEREFORE BE IT RESOLVED, the Anchorage Public Library Advisory Board respectfully asks the Anchorage Assembly to deny the proposal to move the Anchorage Public Library under the Parks & Recreation Department, keeping the Anchorage Public Library an independent department.
